EIT Health Innovation Days (i-Days)

EIT Health is supported by the EIT,
a body of the European Union

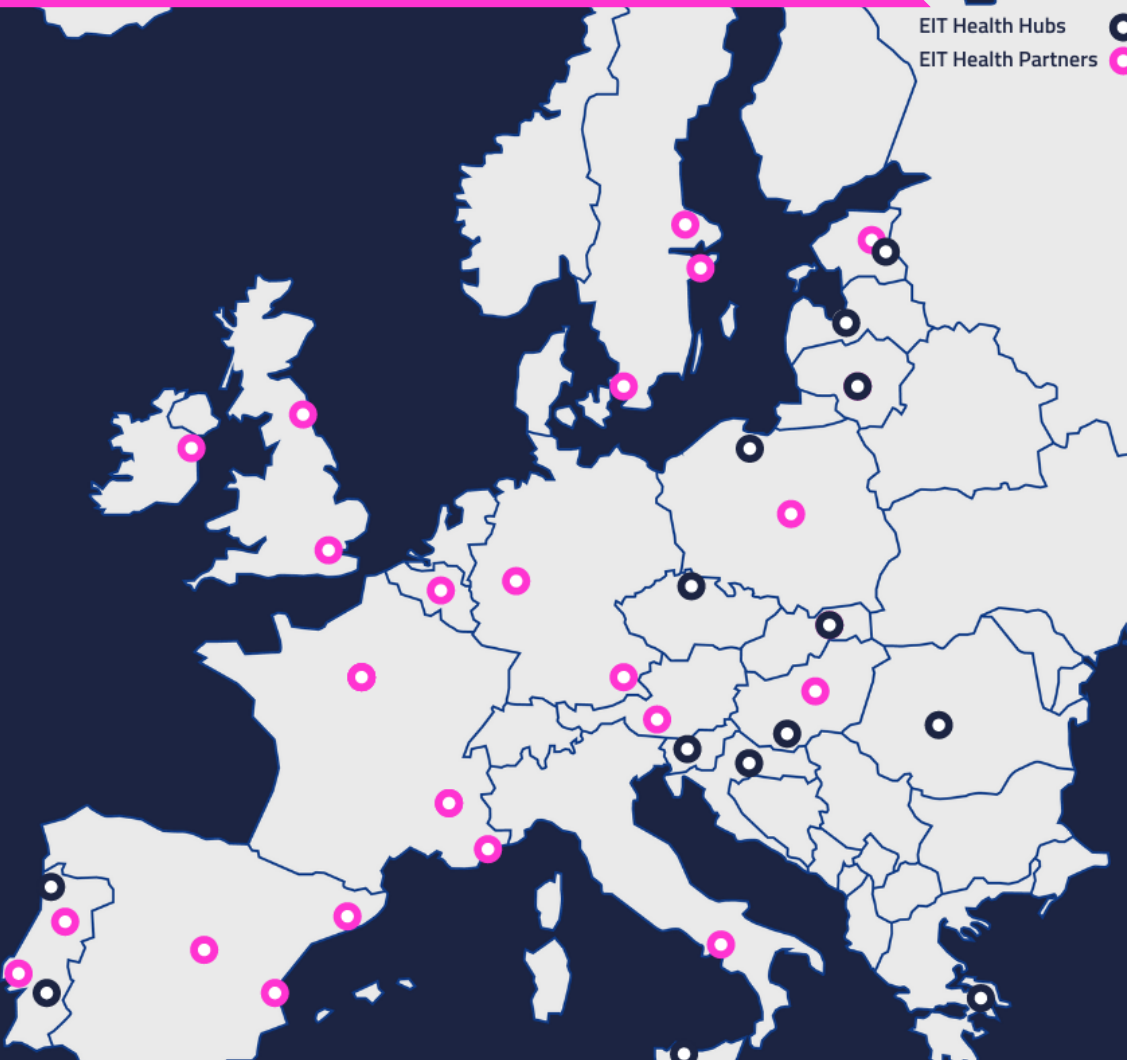

What is EIT Health?

- An ecosystem where fresh thinking in healthcare can thrive
- Network of 150 world-class organisations
- Collaboration across borders to harness brightest minds
- Tackle biggest health challenges facing Europe
- Empower and facilitate innovators and entrepreneurs and to develop their ideas to reach market
- Deliver a variety of programmes...like the i-Days

Last year, across Europe,
2495 people attended i-
Days!

EIT Health is supported by the EIT,
a body of the European Union

Growth of Innovation Days

EIT Health Partners and Hubs

What is an i-Day?

- Short events across Europe (this year online/blended delivery)
- Available to ALL students

At an i-Day:

- Pitch coaching and design thinking training
- Tackle real life healthcare challenge
- Work in multidisciplinary teams
- Citizen and patient engagement to inform ideas
- Pitch to prestigious judges, compete for prizes and an invitation to European Winners' Event
- Networking opportunities, meet experts, start-up founders and EIT Health partners

Why Attend?

- Chance to win prizes and opportunities (Winners' Event includes access to EIT Health Summit)
- Training in practical tools and methodology in innovation
- Access to patients, citizens and users to test solutions
- Invaluable networking opportunities across campus and across EIT Health network
- Hear inspirational stories about innovative journeys to start-up creation
- Join the EIT Health Alumni for more opportunities
- Receive EIT Health certificate
- Great CV addition and soft skills training

.....ALL FOR FREE!

How to Join
