

## **PARTICIPATION RULES FOR THE ERASMUS+ PROGRAMME AT THE MEDICAL UNIVERSITY OF LODZ IN THE ACADEMIC YEAR 2018/2019. ERASMUS TRAINEESHIP MOBILITY.**

### **I. Recruitment for student mobility with in Erasmus + programme.**

1. Students can apply to realize a part of their studies thru traineeship within the Erasmus+ Programme if:

- they are registered students of the Medical University of Lodz (during the qualification and their entire stay abroad)
- they are not and they won't be on a dean's leave during the qualification and their entire stay at the partner university
- they have completed:
  - ✓ students of uniform Master's degree studies: their first year of studies and they completed the academic year preceding their trip abroad (the trip can be realized after the second academic year)
  - ✓ students of the first degree studies (first cycle students): their first year of studies and they completed the academic year preceding their trip abroad (the trip can be realized after the second academic year)
- students of the second degree studies (second cycle students) and doctoral students can apply for the international study mobility on their first year; students of the last year of the first cycle, second cycle, uniform and doctoral studies who apply for mobility during the last semester of their studies can only apply for it with the permission of their thesis supervisor (promoter)
- they have the citizenship of a country authorized to participate in the Erasmus+ Programme, or they have the right for permanent residence or refugee status
- students during their final year of the first cycle studies can only apply for the programme if they continue their studies in the second cycle programme at the Medical University of Lodz (before the departure students are required to present a declaration from their respective dean's office stating they will continue the second cycle studies, at the Foreign Affairs Office)
- graduates of Medical University of Lodz can participate in international study mobility on two conditions – they have to be student at the time of application for the traineeship programme and they have to graduate before they leave abroad for traineeship. This means that at the time of Committee Meeting applicant must be a student of the Medical University of Lodz furthermore after qualification traineeship have to be completed within 1 year from the data of the graduation. Traineeship period have to be completed till 30 of September 2019.

2. Traineeship abroad should not collide with completing studies within the date predicted in the studies plan.

3. In spite of the number of areas of study and home universities, a student during his/her studies can realize several student mobility studies and mobility practices for a period not exceeding 12 months in each study cycle (first cycle, second cycle, doctoral studies) e.g. 2 x 6 months or 3 x 4 months including mobilities that have already been realized within the Erasmus Programme (mobility

with the right to a mobility grant and without it). Students of uniform Master's degree studies and such as medicine, can leave for a period that does not exceed 24 months.

4. The main criteria in the qualification process for study mobility within the Erasmus+ Programme are:

- ✓ Mean grade from the last completed year of studies preceding the academic year 2018/2019, when the recruitment is held, (max. 5 points).

The mean grade should be calculated by the rules presented in § 26 item 3 of the valid Rules and Regulations of The Medical University of Lodz : "The mean of all the term grades is calculated as an arithmetic mean of the grades (including failed grades) obtained as exams and credits for the courses indicated by the Dean taken during the semester." and in § 26 item 4 „The mean grade is calculated with: 1) The grade of exam before the Examination Board, ignoring the failed grade of the questioned exam(...); 2) The second positive grade obtained by the student, in the case of repeating the past exam". The rules for students who started their studies before 01.10.2010 are in § 16 item 2 in association with item 1 and § 36 item 2 of Rules and Regulations Of The Medical University of Lodz established by the decision of the Senate of the Medical University of Lodz no 36/2003 on 27.03.2007: the mean of the year's grades is an arithmetic mean of grades obtained at exams (including failed grades);

When it is impossible to calculate a mean grade for 2017/2018 the Admissions Committee will accept a mean grade from 2016/2017 during the application process.

For 3<sup>rd</sup> cycle students the Admissions Committee will accept diploma evaluation from long-cycle Master's degree program or 2<sup>nd</sup> cycle program.

- ✓ The grade from the foreign language exam/certificate is multiplied by 1,5 (max. 8,25 points). The student is required to sit the exam/certificate of the language of the country where he will be studying or a different language specified by the host university.
  - The foreign language exam is organized by the Foreign Language Centre (Centrum Nauczania Języków Obcych UM). Subscriptions for the exam are conducted in Foreign Language Centre MU from the moment of announcement the exam date. Student can pass the exam from several different languages.
